

What is a School-Parent Compact?

A School-Parent Compact is a written agreement that is developed by Mundy's Mill High parents, teachers and students. It explains how parents and teachers will work together, share responsibility for student learning. This compact helps bridge the learning connection between school and home.

MMHS School-Parent Compact will:

- Link to goals of the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Inform of opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, teachers, students and staff of Mundy's Mill High School jointly developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas that they feel are within their abilities to assist students, and students told us what would help them learn. The above participants hold annual meetings to review and update the Compact based on student needs.

This compact is a working document and parents are welcome to contribute comments throughout the school year. If you would like to make changes or add to the compact, please contact the school parent liaison. Mrs. Gregory, Parent Liaison: (678)817-3000

Activities to Build Partnerships

Mundy's Mill High School believes in open communication. We want our families to know about the curriculum their child is learning and to be engaged in the learning process. Ways that parents/guardians may hear from school include:

- Annual Community Day planned and hosted by parents & community members.
- Reasonable access to staff opportunities to volunteer and participate in their child's class, & observation of the classroom
- Phone calls from parent liaison, teachers and staff
- Daily Volunteer & School Partner opportunities.
- Annual Bring Your Parents/Guardians to School Day
- Automated school messenger phone calls
- Outreach to business community for Career Day Participation & workshop facilitation.

Communication about Student Learning

- Regular Parent-Teacher Conferences held on Tuesdays after school
- Various parent workshops are held throughout the school year
- Four 1/2 week progress reports to parents on their children's progress
- Reports during school council and PTSA Meetings
- Infinite Campus Parent Portal to review academic progress
- Parents can also reach his/her child's teachers and grade principal with concerns about student academic progress at (678)817-3000

Revised 10/17/18

Our Goals for Student Achievement

Clayton County Public Schools District Goals

By 2023, Clayton County Public Schools will increase the percentage of students scoring at the Proficient and/or Distinguished levels on the Georgia Milestones to at least 80% in each content area.

MMHS School Goals

By 2020 all students will be at grade level or higher in math on the Georgia Milestones Assessment.

We will reach this goal by increasing student' ability to apply their understanding of the following conceptual categories:

- ◆ Algebra
- ◆ Functions
- ◆ Geometry
- ◆ Statistics and Probability
- ◆ Connections to Functions and Modeling

Parent Outreach Opportunities
