## Film and Media Magnet

The Mundy's Mill High Film and Media Magnet is an innovative pathway for media savvy learners to experience high school in a contemporary format. We are leveraging the media rich and increasingly digitally interactive lifestyles of our students to engage them fully in the 4-year learning experience so that they are uniquely equipped to vie locally, nationally and internationally for jobs and careers after high school or college. In the context of providing an educational pathway specializing in film and media, we will increase academic achievement for all students by creating an enthusiastic environment that promotes active engagement, accountability, and collaboration of key stakeholders to maximize student achievement.
