

# SAT School Day

$x^2 + y^3 + 4) dA = ?$

You're not smart enough for this.

12?

© Give up.

Ⓐ None of the above.

## Wednesday

### March 4, 2020

- Open to all **11th grade** students
- Students will receive
  - Four additional score sends
  - Four college application fee waivers
  - Free student answer services
- Students **should register** with College Board and Khan Academy
  - A tailored practice plan will be provided for the student from his or her PSAT results.

# Participation Criteria

---

- Parents and Students attend a school informational meeting
- Signed student contract to show intent
- Register with Khan Academy
- Register with College Board
- Students must routinely log into and complete the Official Practice for the SAT
- Complete a minimum of **10 hours of practice on Khan Academy**
- Complete at least one practice test on Khan Academy.

# Benefits of taking the SAT

Students are exposed to the SAT format and content sooner than their senior year

- students receive exam scores early in order to prepare for future SAT exams
- students receive exam reports that provide explicit feedback on their strengths and areas for improvement

# Benefits of taking the SAT

- students are exposed to the SAT format and content sooner than their senior year
- students receive exam scores early in order to prepare for future SAT exams
- students receive exam reports that provide explicit feedback on their strengths and areas for improvement

# Student Incentives

- \$500 scholarship for the student who has the highest total mean score (Reading/Math) for the county
- A plaque for the student with the highest total mean score (Reading/Math) for each school.
- A banner to display to the high school with the highest number of students actively participating in SAT School Day.
- A banner to display for the two schools with the highest number of students with total mean scores (Reading/Math) over 1000.
